

ENVIRONMENTAL DECLARATION

Products: Conqueror Bamboo, Print Excellence Bamboo

Mill: Stoneywood Mill (Scotland)

Products data

Arjowiggins works to continually reduce the environmental impact of paper manufacture.

- All Conqueror Mills have a certified accredited Environmental management system (ISO 14001).

- **Fully FSC certified**

- **Carbon Neutral in 12 countries** : the UK, Germany, Belgium, Luxembourg, the Netherlands, Switzerland, Finland, Denmark, Norway, Iceland, Sweden and Austria.

Conqueror is ideal for business stationery, brochures, annual reports, invitations, promotional literature

Conqueror Bamboo and Print Excellence Bamboo are available in various colours (Natural White, Crema, Sahara, Terracotta and Havana) and in various weights from 100gms to 400gms. Colours are manufactured with natural pigments.

Fibres Sourcing

Bamboo fibres: 60 %

Virgin FSC fibres*: 40 %

* Virgin fibres are FSC credit mixed sources and ECF bleached, without using chlorine gas.

Chemicals

- No substances classified as carcinogenic, mutagenic or reprotoxic (CMR) are used as raw materials.
- Chemicals are sourced that have low impact on the environment.
- Arjowiggins complies with the new REACH (Registration, Evaluation, Autorisation and Restriction Of Chemicals) European regulation created to improve protection of human health and the environment from the risks that can be posed by chemicals as well as the promotion of alternative methods of assessments, and enhancing competitiveness and innovation.

ENVIRONMENTAL DECLARATION

Certified environmental management systems

ISO 9001 (Quality) FM 12551
ISO 14001 (Environment) EMS 34922
FSC TT-COC-2043

Our Transports

Arjowiggins transport policy is **eco-responsible**, optimizing logistics and taking environmental issues into account: minimizing distances between raw material, mills and customers, shifting volumes to rail and sea transport wherever possible

Our packaging

All of our cardboard and polythene material are **recyclable** as well as the pallets
